Reading—John Murphy.
Vocal Solo—Esperance Schlechty.
Readings—Miriam Gordon.

All numbers were very well received and was followed by a series of stories by the "landmarks" conducted by Henry S. Davidson. An investigation showed that Mrs. Augusta Eggers was the oldest Whiting resident present, having lived here for fifty-three years and had the honor of telling the first Whiting story. Mrs. Augusta Klose and Mr. William Vater next told of honors, both having resided here for fifty-two years. Both told of early days in Whiting, after which the stories were discontinued until the next get-together meeting. Doughnuts and coffee were served, after which dancing was enjoyed for several hours. The old settler's club has been organized.

You Can't Cure Rheumatism With Liniments and Lotions

If you are afflicted with Rheumatism, why waste time with liniments, lotions and other local applications that never did cure Rheumatism, and never will?

Do not try to rub the pain away, for you never will succeed. Try the sensible plan of finding the cause of the pain. Remove the cause, and there can be no pain. You will never be rid of Rheumatism until you cleanse your blood

of the germs that cause the disease. S. S. S. has no equal as a blood cleanser, scores of sufferers say that it has cleansed their blood of Rheumatism, and removed all trace of the disease from their system.

Get a bottle of S. S. S. at your drug store and get on the right treatment to-day. If you want special medical advice, address Medical Director, 49 Swift Laboratory, Atlanta, Ga.
